

*SC Rural Infrastructure Authority  
June 2016*

The SC Rural Infrastructure Authority (RIA) will now be assisting qualified water, sewer and storm water infrastructure projects statewide, including areas that were not previously eligible. To learn more, plan to attend the RIA's grant application workshop being held on July 19, 2016 in Columbia. Representatives of local governments, special purpose districts, public service districts, public works commissions, engineers and other interested persons are encouraged to attend.
