Complete Count Census Training

Monday, October 28th, 2019
1:30 P.M.- 3:30 P.M.
Appalachian Council of Governments Board Room
30 Century Circle, Greenville, SC 29607

U.S. Census Bureau Partnership Specialist, Linda Shell, will be hosting a Complete Count Census Training at 1:30 on October 28th at the Appalachian Council of Governments. City, town, and county officials are encouraged to attend to learn how they can ensure their community’s residents are counted accurately.

Census 2020 is going to impact everyone for the next 10 years. Once the numbers are in December 31st, 2020, these are numbers that we will have to live with for the next 10 years. Complete Count Committees in each community are crucial to the Census process and this training will help leaders with tips on how to organize now.

We hope you will be able to attend. If you have questions, please contact Chip Bentley.
