**infoMentum User Group Meeting**  
**Tuesday, November 27, 2018, 9:30 AM**  
**Council of Governments Training Room**

---

## **Welcome**

**New COG Website** – Fact Finder now resides at <https://www.scacog.org/Fact-Finder>

## **Fact Sheets**

- Distribution of new County fact sheets
- Coming Soon – Municipality fact sheets

## **Future Fact Finder Format - Tableau**

- Development underway
- Continued training through online eLearning modules
- Importance of data structure
- Launch of Tableau “data center” on COG website, then configuration services to be available upon request for county ED websites.
- Demonstration of progress to date

## **Updated Map Layers**

- New labor force & unemployment data appended to the census tracts layer (annual averages, July 2017 - June 2018) (from SCDEW via USBLS)
- Updated HUBZone layers (from Small Business Administration)
- Updated SC railroad layer (from SCDOT)

## **Discussion & Demonstration**

- InfoMentum versus GIS WebTech (both log-in and public facing sites)

## **Member Reports**
