

CITY OF INMAN, SOUTH CAROLINA JOB DESCRIPTION

JOB TITLE: SEWER SUPERINTENDENT WASTEWATER DEPARTMENT

City of Inman

Located in the foothills of Upstate South Carolina, Inman is a growing community with small town charm. The city is conveniently situated at the intersection of Interstates 26 and 85, putting us within a short drive of the Charlotte, Asheville, Greenville, Columbia, and Atlanta metro regions. The city is just a 10-minute drive from downtown Spartanburg, with all its cultural, dining, and entertainment amenities.

The city offers a high quality of life with walkable attractive neighborhoods. The growth that's occurring across the Upstate is making its way to Inman, with construction anticipated to start in several large subdivisions that have recently been annexed into the city. The Inman Mills renovation project is complete, with 159 apartments.

Inman's historic downtown is an asset with great potential—even more so now that a major streetscape renovations project has been completed in the central business district.

The city holds several events throughout the year, including the annual Harvest Day that draws thousands of people from across the region.

Spartanburg District 1 schools serves the city with an elementary school, intermediate and junior high schools, and a high school. District 1 is known across the state for its high academic achievement and standards.

City Governance and Staff

The city functions under the council form of government, where the City Council exercises collective responsibility for the governance of the city. The City Council delegates day-to-day management of the city to the City Administrator, who serves as the chief administrative officer.

The City Administrator is appointed by and reports to the 5-member City Council, which is comprised of the Mayor and four Councilmembers. The Mayor and City Councilmembers are elected to staggered, 4-year terms with the next election taking place in November 2021.

Inman is a full-service city with a police department, fire department, and a wastewater treatment plant. The city also has a streets maintenance department and municipal court. The total city budget is \$4.55 million. General fund operations comprise \$2.22 million of the total budget, with the wastewater treatment enterprise fund totaling \$1.79 million. Several special revenue funds make up the remainder.

The City of Inman Wastewater Department consists of a Superintendent, four full-time operators, one part-time operator, and a utility position.
